2015-2016 Ads for Yearbook

The yearbook staff has begun capturing the special, fun, and silly moments of Warren County High School. We truly believe that this year's yearbook will be a wonderful recollection of the memories made at WCHS. With that being said, the yearbook staff has started selling Business and Personal ads for the 2015-2016 yearbook edition.

Personal Ads: The staff provides parents/guardians an opportunity to publish a personal ad for their student showcasing their life, achievements, and memories. The ads can include a current picture, pictures of your student throughout their life, baby pictures, and a personal message to your student.

Business Ads: Local businesses and WCHS supporters can buy ads advertising their business. The ads can include the business logo and any pictures the owners/managers wish to include in the ad. You can also buy a business ad with your business logo and include a picture of your WCHS student.

Included in this packet is an order form containing prices and additional information. When you turn your ad packet in, please submit all ad materials, desired ad pictures, business logos, personal messages and ad fees, in one envelope. All photos, ad forms, and payments must be turned in no later than January 8, 2016.

We will need to receive the original pictures (the ones you want on your ad) in the best condition possible. We have a high resolution scanner that we will use to scan your originals. Please be mindful of the fact that pictures are scanned "as is," so if the original is blurry or grainy, it will look blurry or grainy when we scan it in. I know it is so hard to pick between all the cute pictures of your child; however, the more pictures you include, the smaller they will be in your ad. The recommended number of pictures is listed on the order form. If you wish to send an e-mail copy of the photo instead please send a high resolution jpeg image to: warrencountyyearbook@gmail.com with your business name or your student's name in the subject line.

Please print on all ad forms. Also, on the form make sure you check whether the ad you are purchasing is a "personal" or "business" ad. I provided a space for you to draw your ad. You may indicate where you want certain pictures, where you want the message, where you want the ad to be placed etc. I, along with the yearbook staff, will do everything possible to make sure your ad is exactly the way you want it. Please note no ad will be printed without payment.

Sincerely,

Leah Simpson
